

Are You Prepared?

All of our products are given the stamp of approval by the American Red Cross and are designed to assist you in the event of an emergency or disaster. Disasters can strike quickly and without warning.

It can force you to evacuate your neighborhood or confine you to your home. What would you do if basic services--water, gas, electricity or telephones--were cut off?

Local officials and relief workers will be on the scene after a disaster, but they cannot reach everyone right away. The

American Red Cross products are available to help you in that situation and should be part of every household's emergency plan.

For more information about preparing for Flu Pandemic, Tornadoes, Floods, Winter Storms and other emergencies or disasters, contact our office
